Presentation Skills & Teamwork

Projects & Experience

Goalsreach   *01/2023 – Present*

Founder & iOS Developer
Built and launched a self-accountability app using SwiftUI. Designed intuitive UI and managed cross-platform promotion.

Live on the App Store with a growing user base.

MatchMinded   *01/2025 - 04/2025*

Prototyping Showcase

Designed a dating app prototype using MBTI and Likert-scale logic. Built in Figma with a focus on gamification and user psychology.

Bristol Bridge Club   *10/2024 - 03/2025*

Web Development For Client

Redesigned website for the Bristol Bridge Club. Conducted user research, built high-fidelity prototypes, and implemented via Pianola CMS.

Campus Companion   *01/2022 - 05/2022*

Prototyping Showcase

Designed a student productivity app in Figma. Created user flows, wireframes, and an interactive prototype with a points-based engagement system.

Various Roles   2016 - *Present*

Exeter & Bristol, UK

Gained diverse experience across retail, hospitality, and industrial roles, developing adaptability, teamwork, and strong work ethics.

I'm a results-driven iOS Developer and UX Designer with a passion for creating user-friendly, impactful applications. Proven experience in app development, prototyping, and design, with a focus on enhancing productivity and engagement. Seeking opportunities to contribute to innovative projects and make a meaningful impact.
